

The FAST Fund – Free Laptop Program

- 1. Must be a REGISTERED student for the CURRENT semester-** Often verified by your class schedule on the initial laptop application.
Class dates must correspond with application dates.
- 1. Once applied, wait for an email** - We will let you know if you are waitlisted or if your laptop is ready for pick up. A survey from our partner, Digital Bridge, will be included in this email. Survey must be filled out prior to pick up.
- 2. Pick up, in-Office Location** - If unable to meet us at our location & hours, please disclose via email to coordinate best way to pick up.
 - a. Enter the office and state “I am here to pick up a laptop”
 - b. State first and last name & check on Digital Bridge survey completion
 - c. The laptop will be “signed out” by the individual picking up the laptop

We only allow one free laptop per student, per lifetime. If laptop is damaged or misplaced under students care, FAST Fund cannot replace it

The Free Laptop Pick Up (After Approval)

Where to apply:

Application can be found on our website.

You will create a login for our application portal, please save this login.

www.matcfastfund.org/for-students

- 1. The free Laptop program assumes the student is ready to keep and maintain their own laptop device.** The FAST Fund office does not have the capacity or experience as an IT office. Any upkeep or maintenance on laptop is student recipient’s responsibility.
- 2. Note any emails & passwords during laptop set up and maintenance.** If student is locked out of device, FAST Fund does not have any way of overriding your personal device.
- 3. Please report any issues with the hardware or software ASAP.** FAST Fund will work on securing a replacement laptop. If device was damaged or lost, FAST Fund cannot replace laptop.

There is a one time laptop per person, per our grant.
